

West Coast Swimming Club

24th September 2018

ATTN: REGISTRATION / RENEWAL OF SWIMMING CLUB MEMBERSHIP

Dear Swimming Families,

The competitive swimming year commences annually on the 1st of October and concludes on the 30th of September.

Each swimmer is required to pay an ANNUAL MEMBERSHIP FEE which includes levies and insurance prescribed from Swimming Australia, Swimming SA and West Coast Swimming Club.

This ANNUAL MEMBERSHIP FEE is charged SEPERATELY to any COACHING FEES which are invoiced on a term by term basis.

There is no option to hold membership for part of a year. There are no discounts (multiple family members / early payment) that apply to this annual membership fee.

The administrative body of Swimming Australia insists that all individual swimmer memberships are also accompanied by a single parent membership. This is not negotiable. Parents who are office bearers on the committee will be required to hold membership.

SHORTLY you will receive an email from Swimming Australia which prompts you to renew your membership. You cannot train with the club or compete without membership.

It is **EXTREMELY IMPORTANT** that prior to paying your fees that you are satisfied that they are the correct amount. If you believe that you have been invoiced an incorrect amount please **DO NOT PAY THE REGISTRATION** - email westcoastrego@gmail.com with your queries. We can work within the CLUBLANE system to ensure that you have been levied the correct amount and then resend the prompt to pay email.

2018/2019 Membership Structure

Membership Type	Swimming Aust / SA	Club Admin Fee	TOTAL FEE PAYABLE
Swimmer Full competition involvement	\$103.75	\$26.25	\$130

Example of Fees Payable

Case Study 1: Three swimmers in the family. One (10 years) joining for the first time but not wishing to compete. One (7 years old) wishing to compete in all types of events. One (16 years) wishing to compete in all types of events.

Swimmer 1 (10 years non-competitive)

Membership Type: Introductory Membership 9-12 years \$85

Swimmer 2 (7 years competitive)

Membership Type: Junior Dolphin 7+U FREE

Swimmer 3 (16 years competitive)

Membership Type: Swimmer \$130

Single Parent Membership \$27

Total Fee Payable \$242 + transaction fee

IMPORTANT NOTES

The Junior Dolphins program is an initiative of Swimming Australia to capture swimmers at a younger age to improve overall age group competitive swimming.

Junior Dolphins have FULL COMPETITION opportunities. The discounted membership fee does not preclude the swimmer from any level of competition.

SPORTS VOUCHERS

There maybe parents of primary school aged children who are yet to redeem their \$50 sports vouchers. Please contact westcoastrego@gmail.com if you would like to redeem your voucher against the annual membership fee. As a club we are still streamlining our management of this process.

The claiming of a Sports Voucher must happen prior to the payment of fees. It cannot be used to generate a reimbursement.

REMINDERS

All payments are made via Swimming Australia's secure online payment system. Please double check that the amount you are being levied reflects the membership options available for swimmers at different ages.

MEDICAL and REGISTRATION FORMS

All swimmers are required to maintain accurate club registration and medical forms for the current year. We have been working with all parents and swimmers at training to ensure that we have the correct information on file. If you have not completed a registration and medical form, please ask for an email copy.

QUERIES

In the first instance please email westcoastrego@gmail.com if you require support. Alternatively speak with Therese Cloughton – (Hannah's mum) on pool deck.

Kind Regards,

Therese Cloughton

West Coast Swimming Club Registrar
