## ATTN: REGISTRATION / RENEWAL OF SWIMMING CLUB MEMBERSHIP

Dear Swimming Families,

The competitive swimming year commences annually on the 1<sup>st</sup> of October, 2020 and concludes on the 30<sup>th</sup> of September 2021.

Each swimmer is required to pay an ANNUAL MEMBERSHIP FEE which includes levies and insurance prescribed from Swimming Australia, Swimming SA and West Coast Swimming Club.

This ANNUAL MEMBERSHIP FEE is charged SEPERATELY to any COACHING FEES which are invoiced on a term by term basis.

**There is no option to hold membership for part of a year. There are no discounts (multiple family members / early payment) that apply to this annual membership fee.**

The administrative body of Swimming Australia insists that all individual swimmer memberships are also accompanied by a single parent membership. This is not negotiable. Parents who are office bearers on the committee will also be required to hold membership.

All payment and registration is now completed online via the swim central login portal. New members will need to register on swim central. [www.swimcentral.swimming.org.au](http://www.swimcentral.swimming.org.au). Please ensure you enter all your details on Swim Central it is very important to update your emergency contact details as this year we will not be completing paper copies. Please refer to the following links for step by step guide for registering as a come and try swimmer, for registering with Swim Central for the first time and the last link is for re-registering from club lane reset password.

#### IMPORTANT NOTES

You may notice that the total amount does not add up to the figures presented in the table. I have been advised by Swimming SA that the small difference covers the transaction fee.

It is important to note that Swim Central will not let you enter events until your membership has been paid.

If your child is registering for the come and try free trial, the parent is also required to register for the come and try. When the come and try period is finished and your child wants to continue to swim in the season a membership will need to be bought for the child and parent. Register for Come and Try at the beginning of a month that way you get a full 4 weeks free.

\$100 Sports vouchers can also be used this year apply via swim central for Primary School Children who have not used a voucher for another sport this calendar year. The sports voucher can be applied for at the checkout of swim central.
