

AUSTRALIAN YOUTH PERFORMANCE SQUAD (YPS) 2012-13 CRITERIA & QUALIFYING TIMES

The 2012-13 YPS will recognise performances from 1 May 2012 to 15 April 2013. To qualify for the program, all that is required is for a financial member to achieve a long course YPS time standard listed on Attachment A. All awardees are automatically notified through their clubs by the relevant State Swimming Association after the 13 April closing date. Visit the YPS section of your State Association's website to determine meets eligible for YPS.

Please note that where a swimmer has a birthday during the season and qualifies for YPS in two age groups **OR** qualifies for both JX and YPS, he/she will receive only one award, depending on the highest standard achieved in either of those age groups or programs. Qualifying in YPS Bronze is considered a higher standard than JX Gold. In addition, lead off times will not be recognised in the program, only individual swims will qualify.

- YPS Gold times - the average third place finishing time at the 2010, 2011 and 2012 Australian Age Championships
- YPS Silver times - the average tenth fastest time at the 2010, 2011 and 2012 Australian Age Championships
- YPS Bronze times - qualifying times for the 2013 Australian Age Championships.

Please note that where the average time for a category within an age group is slower than that category in a younger age group, it has been adjusted to be equivalent to the younger category. Some times may have been manually adjusted to suit the program outcomes.

Swimmer with a Disability YPS recognition will be determined using the 2012/13 Multi Class Point Score (MCPS) system. This will be available on swimming.org.au from November 2012.

The MCPS is based on the world Record (WR) times for each classification and will be updated annually. The WR is allocated 1000 points with times above and below awarded a point score incrementally. Swimmers must hold a current classification to be eligible for YPS recognition.

Swimmers must accomplish a time with an equivalent point score that achieves the minimum YPS point standards outlined in Attachment B: 2012-13 Boys & Girls SWD YPS MCPS Standards.

Open water YPS recognition will be based on placings achieved at the 2013 Australian Age Open Water Championships for Gold and Silver levels.

- YPS Gold OWS – top three finisher at the 2013 Australian Age Open Water Championships
- YPS Silver OWS - top ten finisher at the 2013 Australian Age Open Water Championships.
- YPS Bronze OWS - Swimmers who achieve a qualifying time for the 2013 Australian Age OWS Championships. The Bronze level can be achieved at any time during the qualifying period.

Please note that where there are less than ten entries to a particular event, YPS Silver will only be awarded to competitors who have swam faster than the qualifying time. There is no YPS Blue for open water events.

Where an age athlete enters an open OWS event rather than competing in their age OWS event their time shall be compared and considered for YPS recognition. This will not alter the results or rankings of the YPS recognition from the results of the age event but rather be in addition to those results.

The names of all YPS members will be published on the SAL website.
